Nurse Practitioner Service & Fees

The clinic operates every Tuesday from 9am to 4pm and is run by our experienced Nurse Practitioner.

With a focus on women's health and wellbeing, the clinic is also available for a variety of other services aimed at delivering quality care in partnership with your individual care needs.

What services are available?

Our Nurse Practitioner offers a variety of services including the following:

• Women's health checks (all ages)	• Immunisations (all ages)
• Midlife women's consults	• Injections
• Preconception care	• Wound care
• Family planning & contraception	• Specialist referral renewals
• Insertion & removal of Implanon	• Emergency repeat scripts
• IUD work up and follow up	• Routine pathology referrals
• Cervical screening	• Some diagnostic referrals
• Breast checks	• Minor ailments
• Sexual health checks	• Heart health checks
• Iron infusions (with doctor on site)	• Health promotion and education

Women's Health Checks

Women's Health Checks are a comprehensive assessment of all factors that impact on the health and well-being of women at any age. They include history taking, a physical assessment and information sharing. This allows our Nurse Practitioner to discuss potential lifestyle changes, identify early signs of disease or illness and provide evidence-based resources.

What is the cost?

10-20 minutes – Level B: $73.00 with a $26.40 Medicare rebate

20-40 minutes – Level C: $93.00 with a $50.05 Medicare rebate

Over 40 minutes – Level D: $113.00 with a $73.80 Medicare rebate
