

## SOMETIMES

By Maggie Dent

*Sometimes, on our journey through life, we meet people, who leave footprints on our mind. They challenge us to see things differently and to question our personal reality.*

*Sometimes, on our journey through life, we meet people, who leave footprints on our heart. They create a safe place for us to open our hearts to feel loved and special.*

*Then sometimes, on our journey through life, we meet people who leave footprints on our souls. They share themselves with us so profoundly that they touch the very essence of who we are, in that secret quiet place.*

*Loved ones have left gentle footprints on the minds, hearts, and souls of many of you here today.*

*May you always remember the beauty of their love, their kindness and the sacred way they touched your lives.*

May the love of God and the peace of the Lord Jesus bless and console us and gently wipe every tear from our eyes.

In the name of the Father, and of the Son, and of the Holy Spirit Amen

At this time, we would like to take the opportunity to Thank Heather Matthews who has been our long term minister from the Anglican church here at Yackandandah Health. Heather is going to take a sabbatical from ministering, and we wish her all the best for a very happy and healthy break. Heather, thank you from the bottom of our hearts and we hope to see you back with us very soon. With Love from all of us at Yack Health.

## Closing Hymn Hallelujah

Now I've heard there was a secret chord that David played, and it pleased the Lord, but you don't really care for music, do ya? It goes like this, the fourth, the fifth, the minor fall, the major life, the baffled King composing "Hallelujah."

Hallelujah, Hallelujah, Hallelujah, Hallelujah.

Your faith was strong, but you needed proof, you saw her bathing on the roof, her beauty in the moonlight overthrew ya, she tied you to a kitchen chair, she broke your throne and she cut your hair, and from your lips she drew the Hallelujah.

Hallelujah, Hallelujah, Hallelujah, Hallelujah.  
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well, maybe there's a God above as for me all I've ever learned from love  
Is how to shoot somebody who outdrew you but it's not a crime that you're here tonight  
It's not some pilgrim who claims to have seen the Light No, it's a cold and it's a broken Hallelujah.

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

## AMAZING GRACE

Amazing Grace how sweet the sound, that saved a wretch like me.

I once was lost, but now I'm found, was blind but now I see.

'Twas grace that taught my heart to fear and grace my fears relieved.

How precious did that grace appear the hour I first believed.

Amazing Grace how sweet the sound, that saved a wretch like me.

I once was lost, but now I'm found, was blind but now I see.

Through many dangers, toils and snares I have already come.

This grace that brought me safe thus far and grace will leave me home.

Amazing grace how sweet the sound that saved a wretch like me.

I once was lost, but now I'm found was blind but now I see.

## Look for me in Rainbows

*Look for me in rainbows, time for me to go now, I won't say goodbye:*

*Look for me in rainbows, way up in the sky.*

*In the morning sunrise when all the world is new, just look for me and love me, as you know I loved you.*

*Time for me to leave you, I won't say goodbye; look for me in rainbows, high up in the sky.*

*In the evening sunset, when all the world is through. Just look for me and love me, and I'll be close to you.*

*It won't be forever, the day will come and then my loving arms will hold you, when we meet again.*

*Time for us to part now, we won't say goodbye; look for me in rainbows, shining in the sky.*

*Every waking moment, and all your whole life through, just look for me and love me, as you know I loved you.*

*Just wish me to be near you, and I'll be there for you.*

If I should go tomorrow  
It would never be goodbye,  
For I have left my heart with you,  
So don't you ever cry.  
The love that's deep within me,  
Shall reach you from the stars,  
You'll feel it from the heavens,  
And it will heal the scars.

In Yackandandah's embrace, we gather here to honor lives that shone so bright, now beyond our sphere. Though they've ventured far beyond this mortal plane, their spirits linger on, in memories we retain.

In Yackandandah Health's embrace, we stand as one, celebrating lives well-lived, though their earthly journeys done. With gratitude, we recall the laughter they bestowed, the love they shared, the stories told, a vibrant tapestry they sowed.

In this celebration of life, we find strength anew, embracing cherished moments and the lessons that they drew. Let's remember not just the tears that fall like rain, but the rays and courage that through their lives remain.

So let us raise our hearts, in unity entwined, honoring the legacy of those who've left us behind. In Yackandandah's grace, their memory will thrive. As we celebrate their lives, keeping their spirits alive.

**Reading: John 14:1-6,27**

"Do not let your hearts be troubled. Believe in God, believe also in me. In my father's house there are many dwelling places. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, so that where I am, there you may be also. And you know the way to the place where I am going." Thomas said to him, "Lord, we do not know where you are going. How can we know the way?" Jesus said to him, "I am the way, and the truth, and the life. No one comes to the father except through me. Peace, I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.

**THE LORD'S PRAYER**

Our Father which art in heaven, Hallowed be thy name.  
Thy Kingdom come, thy will be done in earth, as it is in Heaven.  
Give us this day our daily bread, and forgive us our trespasses,  
As we forgive them who trespass against us and lead us not into temptation.  
But deliver us from evil.  
For thine is the Kingdom, The power, and the Glory.  
For ever and ever  
AMEN

*Wind Beneath My Wings*

*Oh, oh, oh, oh, oh*  
*It must have been cold there in my shadow*  
*To never have sunlight on your face*  
*You were content to let me shine, that's*  
*your way*  
*You always walked a step behind*  
*So, I was the one with all the glory*  
*While you were the one with all the*  
*strength*  
*A beautiful face without a name for so long*  
*A beautiful smile to hide the pain.*  
*Did you ever know that you're my hero*  
*And everything I would like to be?*  
*I can fly higher than an eagle*  
*For you are the wind beneath my wings.*  
*It might have appeared to go unnoticed*  
*But I've got it all here in my heart*  
*I want you to know I know the truth, of*  
*course I know it*  
*I would be nothing without you.*  
*Did you ever know that you're my hero?*  
*You're everything I wish I could be*  
*I could fly higher than an eagle*  
*For you are the wind beneath my wings.*  
*Did I ever tell you you're my hero?*  
*You're everything, everything I wish I*  
*could be*  
*Oh, and I, I could fly higher than an eagle*  
*For you are the wind beneath my wings*  
*'Cause you are the wind beneath my wings.*  
*Oh, the wind beneath my wings*  
*You, you, you, you are the wind beneath*  
*my wings*  
*Fly, fly, fly away, you let me fly so high*  
*Oh, you, you, you, the wind beneath my*  
*wings.*  
*Oh, you, you, you, the wind beneath my*  
*wings.*  
*Fly, fly, fly high against the sky*  
*So high I almost touch the sky*  
*Thank you, thank you*  
*Thank God for you, the wind beneath my*  
*wings*
