REMEMBRANCE DAY 2024

The 2024 Remembrance Day service held at Yackandandah Health was a poignant and heartfelt service, as our community gathered to honour the sacrifices of those who served in wartime. Flight Lieutenant Emma Polkinghorne gave a moving address, drawing on her own experience in the military to reflect on the personal and national impact of war. Her speech added an emotional layer to the ceremony, reminding us all of the human cost of conflict and the importance of peace.

Emma Atkin, the Community General Manager of Yackandandah Health, delivered a moving speech that highlighted the importance of remembering the courage and resilience of those who fought for freedom. Her words resonated deeply with the attendees, reinforcing the significance of collective remembrance.

Norma Bagley laid a wreath at the memorial, symbolizing the communities deep respect and gratitude. During the ceremony a powerful reading of the famous poem *In Flanders Fields* by Eileen Collins, whose heartfelt recitation moved all in attendance. The service was a tribute to those who served, fostering a sense of community and unity within the Yack community.

CANS FOR SUDAN

Donations can be left with LIFESTYLE and Jordan will collect.

Jordan the Pastoral and Spiritual worker here at Yack Health will be travelling to Sudan to assist in the construction of a school for an orphanage that does provide education and a brighter future for the children in need. To fund the project, Jordan spearheaded a community initiative where every recyclable can, and bottle collected will contribute 10 cents towards the cost of building materials.

The effort has become a powerful symbol of collective and collaborative practice, as every small contribution adds up to something meaningful. Every cent raised is dedicated entirely to the school's construction, aiding to ensure children who can be less fortunate can gain a place of leaning and opportunity for years to come.

JOKE OF THE WEEK

Two little boys aged 8 & 10 are excessively mischievous, they are always getting into trouble and the parents know if any mischief occurs in their town the two boys are probably involved.

The boys mother heard that a preacher in town had been successful in disciplining children, so she asked if he would speak with her boys. The preacher agreed, but he asked to see them individually. The mother sent the eight-year-old

in the morning with the older boy to see the preacher in the afternoon. The preacher a huge man with a deep booming voice sat the boy down and asked him sternly "Do you know where God is son?" the boys mouth dropped open but he made no response, sitting there wide eyed with his mouth hanging open, so the preacher repeated the question in an even sterner tone "Where is God?" again, the boy made no attempt to answer. The preacher raised his voice even more and shook his finger in the boy's face and bellowed "Where is God?" The boy screamed and bolted from the room ran directly home and jumped into his closet slamming the door behind him. When his older brother found him in the closet he asked, "What happened?" The younger brother gasping for breath replied

"We are in Big Trouble this time God is missing, and they think we did it!!!"

YOU ARE INVITED TO

Residents, Relatives and Friends

Yackandandah Health's Resident, Relative & friends Christmas party if fast approaching. Please save the date – 20th December for lunch.

We will have Santa visiting and also a concert by the famous
PETE DENAHY

The guest list will be 2 visitors per resident for lunch. RSVP is via return email or through reception.

Please RSVP by Thursday 12th December for catering purposes

Email: becky.hyde@yackhealth.org.au

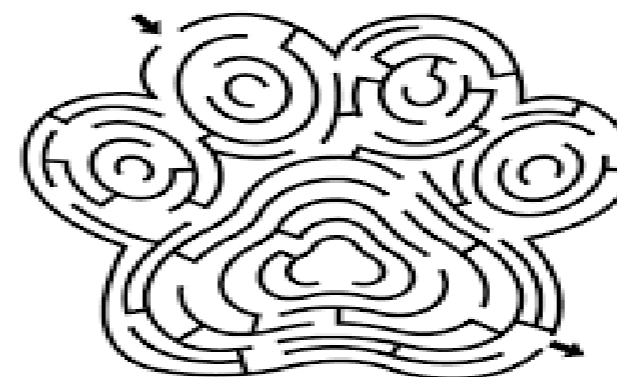

phone: 02 60280100

Or

Leave details at Reception.

Paw Print Maze
