SPRING IS IN THE AIR

Pic top: Veronica and Phyllis.

Pic bottom: Grace and Betty.

Was beautiful to see so many of our residents enjoying the beautiful spring weather outdoors this week.

They were in the garden picking flowers, doing their daily exercises and spending time together.

Yesterday we farewelled Mali. Mali has been with us for about 4 months doing her final placement to complete her Bachelor of Social Work. Mali was a fabulous asset to the Lifestyle Team and to the residents who enjoyed many sessions with Mali.

Thanks Mali and our very best wishes to a prosperous future in Social Work.

THE WEEK THAT WAS 28th October ~ 1st November 2024

Blue tongue lizard catching a few rays of sun in our gardens.

Our spring gardens have produced some beautiful flowers this season, pictured above is the Poppy Garden with a myriad of colour and smells for the spring season. With many many thanks to the Yackandandah Garden Club for their ongoing help and assistance throughout the year. And let's not forget our wonderful gardener, Dave. Thank you Dave. Why not take a walk around our gardens with your loved ones and check them out. Just keep your eyes peeled as Dave also provides safe havens for some of our wildlife.
